IM4 Golf Cruiser latest model with all improvements**	\$ 6,485.00
---	-------------

** • Quick release golf bag holder, for easy and fast removal/refitting of bag and holder when loading/unloading the IM4 into a car.

• A USB port on the instrument console, for charging a mobile phone and/or running a golf GPS for course maps, terrain, distance etc.

• Steering column adjustable angle settings for extra comfort to suit person size.

• Two-speed switch relocated to a more easily accessible position on instrument panel near the throttle.

• Umbrella holder and bracket relocated from in front of the rider to behind the seat for better vision and angle/position of the umbrella.

• Quick release hasp and clasp for easy access to the battery and motor compartment, free-wheel connect/disconnect lever, and for ease of cleaning and maintenance.

• Improved golf bag holder base with "bucket" to ensure golf bag doesn't slip or move around.
